Call for MSc Students

Armauer Hansen Research Institute (AHRI) is a basic/translational biomedical and clinical epidemiology research and clinical trial facility under the Federal Ministry of Health of Ethiopia. In addition, AHRI is known as a hub for skill and technology transfer by providing competitive postgraduate research training opportunities. Accordingly, the Viral Disease Research Division of the CNCDRD would like to recruit competent master's students for the following project:

No	Title	Population	Where
1	RSVVac -Assessing the levels of RSV infection and RSV-vaccine-induced transplacental transfer bidding and neutralization Abs among pregnant women with HIV and malaria comorbidities	Pregnant Women and their newborns	Addis Ababa
2	HPVCa -Incidence / persistence of HPV Infection among Sexually Active Women in Eastern Cohort	HPV Cohort	Harar and Jijiga
3	HepBTrans -Intra-familial Transmission of HBV Infection [Families of Blood donors and HBV CLD patients]	Families of Blood donors and HBV CLD patients	Addis Ababa
4	HepCDR -HCV genotypic drug resistance testing	Blood donors	Addis Ababa

Requirements: A competent candidate for the studentship should fulfill the following criteria:

1. Applicants be top 10% in their BSc level training in biomedical sciences
2. Applicant should be a master's student registered at public universities in Ethiopia and complete the required first-year course work in their master's program
3. Applicants should be ready to dedicate 100% of her/his time to the project
4. Female applicants are encouraged

Value of Studentship: This studentship covers full research costs for the whole duration of the project. Please also note that no stipend for students and an applicant should only apply for one project.

How to Apply: Applicants should submit the following to (research.training@ahri.gov.et)

- A cover letter & and their CV, including full contact details of two referees, and a list of articles published in peer-reviewed journals [if any].
- Copies of their BSc degree and transcript
- Copy of transcript reflecting first-year Master's courses
- NB: candidates should mention the Titel & study site in which they would like to station in their application letter and one candidate should apply only for one study site.**

Application closing date: 31 October 2023
